

Seven products. One rule.

How BigMo builds AI products people can trust — in education, markets, community, trade, commerce, property and accounting.

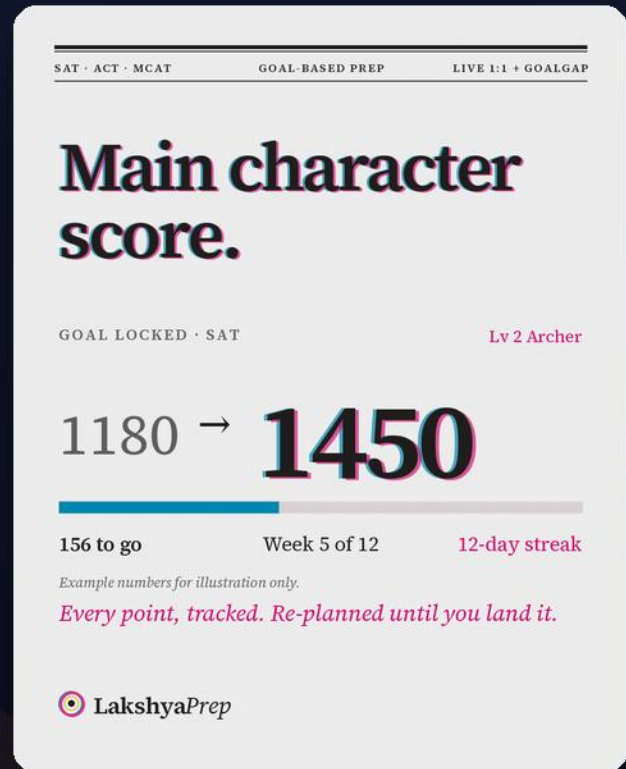

EDTECH

LakshyaPrep

Goal-based SAT, ACT and MCAT prep. Pick one score; the route is built and re-planned until you land it.

AI scans and plans. A 1:1 coach leads.

FINTECH

AI MarketPulse

AI-assisted market research with a deterministic risk core and a full audit trail. Paper-trading first.

AI interprets. Code decides.

SWIPE · 5 STEPS

The AI interprets.
Code decides.

How a market headline becomes a trade — or gets stopped — inside AI MarketPulse.

 AI Market Pulse

COMMUNITY

DesiSquare

A pseudonymous, percent-only community where desi investors abroad answer each other's money questions.

People answer. Helpfulness earns standing.

 DesiSquare

Money questions. Desi answers.

FCNR or T-bills? H-1B taxes? RSUs from two countries? Ask the people who've already done it.

NRE vs NRO?

FBAR due?

529 or India?

RSU vest?

SWIPE · 5 REASONS

TRADE OPS · PILOT

EOT-PCS

One controlled record for every export shipment, from proforma invoice to payment closure.

AI flags. Maker and checker approve.

EOT-PCS

EXPORT ORDER-TO-PAYMENT CONTROL SYSTEM

**From PI to paid.
One controlled
record.**

Every export shipment in one place — not a spreadsheet plus an inbox.

SWIPE · 5 CONTROLS

EOT-PCS · v1 pilot · Powered by BigMo

NICHE COMMERCE

Swaad

101 handmade South Indian foods
from a Chennai kitchen, run on
BigMo's six-stage order flow.

AI briefs the shop floor. Staff decide.

101 things
you miss from home.

Every item made in small batches in Chennai - shipped across the US

PROPTECH

KPMRentals

AI-native property management for
single-family rentals —
Memphis-first, built for remote
owners.

AI triages and prices. Owners approve.

ACCOUNTING · EARLY ACCESS

Ledger Book

The AI bookkeeper on a real double-entry engine: only balanced, approved entries ever post.

AI proposes. The ledger disposes.

L Ledger Book

AI proposes.
You approve.
The ledger posts.

Bookkeeping for freelancers and small businesses, where nothing reaches your books without a reason and a yes.

SWIPE · HOW IT WORKS

AI does the work. People make the call.

Building in one of these spaces, or want early access?
